Mala Vida is the result of a 100% Valencian coupage, the only wine made with the three white varieties native to each of the 3 areas of the D.O. Valencia.

Every grape is elaborated separately to obtain the maximum personality of each one. The intensity and exotic aromas of Muscat, the acidity and freshness of Merseguera and the elegance of Verdil make of this blend a complex, fresh and well balanced wine.

Did you know..? The label was designed by Francesca Della Croce, this label reflects the meaning of “ Mala Vida ” life style.
