

MALA VIDA BEER

“ AND YOU, WHAT KIND OF LIFE ARE YOU LEADING? ”

★ CHARACTERISTICS

WOOD AGED ALE (first fermentation at high temperature) with hints of American oak casques. The second fermentation occurs in the bottle.

💧 INGREDIENTS

Water, natural yeasts, Mala Vida red wine and:

TRIPLE MALT

Pilsner; Originally from Czech Republic, a slightly toasted blonde malt, high in sugars and mild in taste.

Red; a stringent red malt, in mouth, reminds one of a red reserva or crianza.

Cararoma; toasted and caramelised malt.

THREE HOPS

Challenger gives the bitterness.

Villamete gives the floral profile.

Mounthood highlights the spicy character.

👁️ APPEARANCE

It's a red beer which is between a blond beer and a toasted malt one and scores 33 on the EBC scale..

✦ TASTING

Dense head, with body, very persistent, with fine bubble and a offwhite color.

It has a hoppy floral point on the nose, which gives it a freshness. It has a low level of gas. It has a fullness in the mouth and is easy to drink with hints of vainilla and toasted malt.

A beer full of subtleties with a perfect balance between sweet and bitter.

📦 TECHNICAL DATA

Alc: 5,5% Vol.

🍷 PALLET

Size : 0,33

Box Bottles : 20

Mala Vida is a 100% NATURAL product with no preservatives, no artificial colourings or anything strange.

There is no homogenising, filtering, pasteurising or adding of gas in its elaboration. We recommend not moving the bottle to avoid moving the yeast sediment and not serving the last centimetre. You're about to try a LIVE beer with a wine soul. Drinking it without precaution causes addiction!

Did you know? The label was designed by Francesca Della Croce it reflects the meaning of "Mala Vida", which is nothing more than to enjoy the good life.
